

STARTING A NEW SMALL GROUP

WHY?

- If groups currently open don't work for you
- If you've been in a group but would like to meet some new people
- If you would like a new place of service and feel called to lead

HOW?

1. Dream:

- What would your ideal group look like?
- What's the best day/time/place?
- Who would you like to invite to join you?

2. Pray:

Ask God to identify a facilitator (you or someone else).

SBPC provides complete weekly curriculum.

A good facilitator is a person who:

- desires to grow in Christ
- is a member of the church (next class is Oct. 13)
- can facilitate - not teach
- is reliable and responsible
